Great Places to Live, Work, Shop and Play®

Since 1961, Towne Properties has been creating “Great Places to Live, Work, Shop and Play”. It all started in Cincinnati’s Mt. Adams. Towne Properties brought new life to this hilltop village by developing housing with spectacular views of downtown, the Ohio River and the hills of Kentucky.

Today, you’ll find our “Great Places” philosophy in luxury apartment communities such as Indian Creek...as well as single-family neighborhoods, upscale retail, offices and recreational properties located throughout greater Cincinnati and Northern Kentucky, as well as Dayton, Columbus and Lexington. Towne Properties has developed familiar landmarks such as Kenwood Towne Centre...the planned communities at Wildwood, Somerset and Landen...and Fountain Place, the Backstage entertainment district, and numerous residential properties in downtown Cincinnati.

Every Towne Properties development incorporates the hallmarks of outstanding design, construction and management. That’s because Towne Properties is a master developer that is committed to quality every step of the way, from initial concept to design to construction to long-term ownership and management.

Thanks to this outstanding track record, Towne Properties has earned the title “Region’s Most Honored Developer”. This total attention to detail assures you that Indian Creek will be a “Great Place to Live and Play”!
